IMPORTANT COMMERCIAL NOTES

1. Product Grade

This catalog covers our High-Purity Peptide Line, manufactured to a higher quality specification than our standard product range. Detailed specifications are provided for each SKU.

2. Pricing Basis

All prices are quoted on an EXW China basis. International freight, customs duties, import taxes, clearance charges, and other destination-related handling fees are not included and will be borne by the buyer unless otherwise agreed in writing.

3. Currency & Settlement

USD prices are provided for reference and quotation purposes only, based on an indicative exchange rate of 1 USD = 6.7250 CNY.

4. MOQ & Volume Pricing

The standard MOQ is 10 boxes per SKU.

For larger quantities or mixed-SKU orders, volume-based pricing may be available upon request.

5. Intended Use & Regulatory Responsibility

All products are supplied for research and authorized professional use only. Buyers are responsible for ensuring that the products, importation, handling, storage, and intended use comply with all applicable laws, regulations, licensing requirements, and customs requirements in the destination country.

6. Payment Terms

100% payment by Bank Transfer (T/T) in advance is required prior to order processing and shipment, based on the confirmed quotation/Proforma Invoice.

7. Shipping

International shipments are normally arranged via FedEx International Express, subject to destination availability, product eligibility, customs requirements, and applicable import regulations. Shipping costs are quoted separately.

8. Order Confirmation

Prices and availability are subject to confirmation at the time of order. A formal Proforma Invoice (PI) will be issued after the products, quantities, shipping details, and payment terms have been confirmed.

Prices are reviewed and may be adjusted on a monthly basis in line with factory pricing updates and actual order volumes. Applicable price will be confirmed on the Proforma Invoice at time of order.
